Head Teacher: Mrs S Tomlinson
Deputy Head Teacher: Mr T Stirling

Dear Parents/Carers,

If like me, you have been closely watching the weather you will see that it is looking fantastic for our trip with bright sunshine but not too hot so we can still enjoy the activities!

I have a final few messages and reminders before we leave tomorrow.

Snacks and Packed lunch

Children will need a packed lunch and drink on our first day (Wednesday) in a bag that is easy for them to carry whilst on our walk. As always on residential there is already lots of talk about snacks for the rooms, if you are planning on sending snacks these can stay inside children's main luggage but will be liable to a teacher tax collected nightly by myself.

On a much more serious note, please remember that **we are a nut free school and this applies to residential**. Please pack all food items with this in mind and I would always go with the idea, if you are unsure then don't send it! If products with nuts are seen these will be removed from the children to keep everyone safe.

Earrings

There have been some questions about earrings. In short, if they can be taken out this is best, if not then they can be taped up. No dangly earrings though please.

Wednesday Morning

Please arrive at normal time (around 8:40) at the school hall. We will gather the children, do a quick register, make sure everyone has everything and then aim to leave at around 9:30am.

We will send a text to let you know when we have arrived.

One final mention about nuts, please be very aware of this when packing.

See you all in the morning,

Mr Stirling
